Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT

(DR. MAHENDRA NATH PANDEY)

(a) to (c): Yes, Madam. There are grievances received from the students regarding charging of excessive fees by the technical institutes, that has impact on rising cost of education in the country. All India Council for Technical Education (AICTE) constituted a Committee under the Chairmanship of Justice Shri. B.N. Srikrishna, former Judge of Hon'ble Supreme Court to recommend the fee to be charged by private technical institutes in the country. The Committee has recommended maximum limit of tuition and development fee to be charged by these institutions. Further all the State/ U.T. Governments have been directed to comply with the recommendations of the Fee Committee. AICTE has also imposed penalty on several colleges and has issued stern warning to the colleges for charging excessive fee/ capitation fee from the students.
